Fees charged for the use of the facility are intended to recoup on-going maintenance and operation costs of the facility. City facilities are not to be used for personal and/or private gain.

III. DEFINITION OF TERMS

1. “Board of Directors” means the administrative body of the Foundation which runs the Scout Center.
2. “City” means the City of Brea, acting through its officials, representatives, agents, and employees.
3. “User” means an individual who or group which obtains a permit to use the Center pursuant to the terms of this Use Policy.
4. “Applicant” means an individual or group, which completes a Facility Use Application to use the Center pursuant to the terms of this Use Policy.

7. “Multiple Use” means three or more scheduled events in a six month period.

IV. GROUP PRIORITY RATING

1. An individual or group seeking permission to utilize the facilities at the Center will be classified in one of the following priority groups. These classifications are used to establish 1) priority of use, 2) applicability of a fee, and 3) amount of the fee, if any. The priority groups are as follows:

- A. GROUP A:** Activities conducted and/or sponsored by Brea Scout groups or their leaders.
- B. GROUP B:** Activities conducted by Scout groups or leaders from outside Brea.
- C. GROUP C:**
 - i. C-1-** Activities conducted by Brea Non-profits.
 - ii. C-2-** Activities conducted by Non-profits outside Brea.

Rental Procedure

1. Contact the Facility Coordinator at the phone number on the cover of this document. Determine the facilities required, the availability and cost of rental. Rental times include appropriate set up and clean up time as determined by the coordinator. Minimum rental time is three hours.
2. Set up an appointment to see the Center if required to determine suitability for the planned use. Receive a copy of the Facility Use Policy (this document), including an application.
3. Contact the Facility Coordinator when completing the application to verify fees and continued availability of facilities required. This should be done at least 30 day before your event, if possible. Allow more time if alcohol is involved or there is any other reason that the event would require supplemental insurance coverage. An event is not booked until an application and appropriate deposit are received.
4. At approximately one week before your event the Facility Coordinator mails the approved application as a Facility Use Permit and a numbered key to the responsible party. The key operates all exterior doors, the kitchen doors and the closet containing tables and vacuum cleaners on the main floor.
5. Let yourself in to set up for your event. Be aware that there may be other groups using other areas of the building at the same time as your event. The kitchen is to be shared among users unless it is reserved by a group, for a fee. The kitchen also contains bucket and mop for cleaning hard surfaces. After the rented facilities are cleaned and the trash removed to the dumpster, verify that all doors are locked and latched.
6. Return the numbered key by mail to the coordinator, protecting it in a pocket of card stock within the envelope. This triggers an inspection of the facility and a return of the deposit, assuming the facility is clean and undamaged. Failure to return the numbered key will result in \$50.00 being deducted from the deposit.

Notes: 1. Multiple uses reserved by a single application incur a onetime deposit. 2. Regular use is booked at a discount under a lease arrangement.
